

Fee Transparency – Wills

Introduction

At Neale Turk Rochfort Solicitors, we believe that everyone should have access to clear, honest guidance and transparent pricing when it comes to preparing their Will.

We offer a fixed-fee service for the preparation of straightforward Wills, with all work carried out by experienced legal professionals. If your circumstances require more complex arrangements (e.g., trusts, inheritance tax planning, or business succession), we will explain the additional work involved and provide a clear estimate before proceeding.

Standard Fixed Fees (Including VAT at 20%)

Type of Will	Fee (Incl. VAT)
Single Will	From £450.00
Mirror Wills (for couples)	From £600.00

Mirror Wills are two nearly identical Wills, typically used by couples who wish to make similar provisions.

What's Included in Our Standard Fixed-Fee Wills

- A **free initial consultation** to understand your wishes
- Tailored advice on how best to structure your Will
- Preparation and drafting of your Will
- Review and explanation of your Will in plain English
- Arrangements for signing (execution) of the Will

When Additional Fees May Apply

Some Wills require more complex planning or documentation. If this applies, we will provide you with a clear, no-obligation estimate before starting any work. Additional costs may arise where:

- You require **inheritance tax advice** or tax planning
- You wish to include a **Trust** (e.g., for children or vulnerable beneficiaries)
- Your estate includes **business or agricultural assets**
- You own **foreign assets** or have **overseas beneficiaries**
- You have **complex family arrangements** (e.g., blended families or estranged relatives)
- You wish to **exclude certain individuals** which could lead to a legal challenge
- You require **multiple meetings**, home visits, or **urgent drafting** outside normal working hours

In these cases, our work will be charged based on hourly rates as follows:

Professional Level	Hourly Rate (+VAT)
Partner	£370.00
Solicitor / CILEX	£325.00
Senior Paralegal (15+ years)	£290.00
Trainee Solicitor	£210.00

Timescales

For straightforward Wills, the entire process usually takes **2 to 3 weeks** from instruction to signing. If your matter is urgent, please let us know and we will do our best to accommodate your timeline.

Your Will is a vital legal document. All Wills are either prepared or reviewed by an experienced Solicitor, CILEX-qualified lawyer, or Senior Partner. You will be advised at the outset who is handling your matter, and all work is supervised by **Keren Vinall-Morgan**, Senior Partner.
